Parents:

The five days of our Bobcat Basketball Camp will be packed with the techniques, drills and instruction a player needs to improve in the great game of basketball.

We definitely believe that your son will improve their game greatly at our camp. Each day he will receive shooting instruction by staff members. Also, at the end of the week, he will receive an individual evaluation on his shot and other aspects of his game.

The Bobcat Basketball Camp will provide strong competition for each player, and all players will be grouped according to age and ability.

Please plan to get your application in as soon as possible. We will limit the size of the camp to the first 50 campers per session.
