Columbus, Ohio 43212

Message to Parents,

The Grandview LadyCat Basketball Camp consists of introductory and advanced drills that will teach and improve the individual basketball skill sets of your daughter. An emphasis is placed on proper shooting and ball-handling techniques all while having fun with the game of basketball.

We firmly believe that this camp provides a great foundation to the wonderful world of basketball. Campers will be divided into groups according to age and ability and instructed by current and former coaches and players. Each player will receive individual instruction.

A typical day at camp will consist of individual drill work, fun games and activities, team concepts, and team games. Daily and weekly prizes will be awarded for individual and team accomplishments. Each camper will receive a T- Shirt and basketball during the week of camp.

The cost for the week of camp is \$80.00. If more than one child is attending, the cost for each additional camper is \$40.00. Plan to get your application in early as space will be limited to the first 50 campers.
