

SPORTS PHYSICAL SCREENINGS

Sports physical screenings will be given on Monday, May 17, 2010, in the high school gymnasium. Students should enter the gym from the east (Fairview Avenue) door **only**. Physical forms are available at the middle school office, high school office, athletic office, and online from the Athletics page of www.grandviewschools.org.

The front of the physical form and the front and back of the authorization form MUST be completed and signed by both parent or guardian and student BEFORE bringing it to the screenings. The back of the physical form will be completed by nurses, athletic trainers and physicians from Ortho Neuro at the screening.

Cost of the screening is **\$5.00**. Checks should be made payable to the Grandview Heights Athletic Department. By having students come at staggered times, we should be able to avoid a bottleneck of students at a station and abnormally long waiting lines/times. Please adhere to the following schedule:

Current 10th, 11th and 12th grade students 6:00 p.m.
Current 9th grade students 6:30 p.m.
Current 8th grade students 6:50 p.m.
Current 7th grade students 7:10 p.m.
Current 6th grade students 7:30 p.m.
