THE PSAT/NMSQT TEST

The PSAT/NMSQT Test will be administered on Wednesday morning, October 17, 8:00 a.m. It will last until 11:00 a.m. The test is designed for juniors planning to pursue a post-secondary education and sophomores in honors classes.

The test, which is co-sponsored by the College Board and the National Merit Scholarship Corporation, measures verbal and mathematical abilities. Some of the reasons why a student should take the PSAT are:

1. Planning for College - The test provides students and schools with information about whether or not students have acquired skills they will need to do well in college.
2. Practicing for College Admission Tests - The tests enable students to experience the same kinds of questions under similar circumstances and to estimate the scores they can expect on required admissions tests.
3. Selecting a College - The tests enable students to identify colleges that offer programs at an appropriate level of challenge and to be contacted by colleges that seek qualified applicants.
4. Scholarship Opportunities - The PSAT/NMSQT is the qualifying test for students wishing to participate in scholarship competition of the National Scholarship Corporation.

The cost of the test is \$13.00 payable to Grandview Heights High School. Students are to pay for the test the week before it is given. The check should be given to Mrs. Clayton in the main office. Questions should be directed to Mrs. McNaughton or Mr. Connors.
