

Grandview Kids' Club News

May 2010

Dear Families,

Happy spring! I can't believe the school year is almost over. It has been such a wonderful year in Kids' Club. I hope your children have enjoyed the program as much as I have.

April was a great month for us. Earth Day was April 22nd. We celebrated all week long starting on April 19th. Each group did daily activities with an environmental theme. Friday, April 23rd was our fifth annual Family Science Night. This year we had 90 people attend the event. Thank you to all who came. The Kids' Club staff had a great time and we hope you did too!

We have three special activities planned for May. On Friday, May 7th we will host Muffins with Mom, a family event in celebration of Mother's Day. Each student is encouraged to invite a their mom to join us from 5:00-6:00 p.m. for refreshments and activities. If moms are not available, students are welcome to invite grandmothers, aunts, godmothers or family friends to spend time with them. Keep an eye out for invitations and be sure to RSVP to the child care office.

May 4th is International Firefighters Day. Each group will make no-bake cookies, which will be delivered to the Grandview Fire Department. The week of May 9th - 15th is National Police Week. Each group will make thank you cards, which we will deliver to the Grandview Police Department.

Sincerely,

Courtney

Don't forget to check your child's mailbox folder regularly. This is an important communication tool for the program!

Have you registered for Kids' Club for the summer or the 2010-2011 school year? Don't hesitate - spaces are filling up fast! Turn in your completed registrations to the child care office.

Take a Peek at Kids' Club Summer 2010

This summer we are focusing on all the things that keep kids (and grown ups) healthy! We will have an active summer packed full of sports, activities, healthy food and much more!

Part time spaces are still available in each group. Stop by the Kids' Club office to register.

Summer deposits are due on May 10th. Your deposit is equal to one week's tuition. This will then be applied to the first week of the program.

The Summer Parent Orientation is scheduled for May 26th from 7:00-8:30 p.m. Orientation will be held in the Stevenson cafeteria. This is a great time to meet the teachers your child(ren) will have this summer, to ask questions and complete paperwork.

Child care will be offered during the orientation meeting for school-aged kids. Please RSVP to the child care office if you plan to use child care.

Summer Kids' Club will begin on Tuesday June 8th and run through Friday, August 8th. There will be no Kids' Club on Monday, July 5th.
