ARTICLE I - PREAMBLE

A. Recognition

1. The Grandview Heights Board of Education (herein after referred to as the “Board”) hereby recognizes the Grandview Heights Education Association (herein after referred to as the “GHEA”), an affiliate of the Ohio Education Association and the National Education Association, as the sole and exclusive representative of the bargaining unit defined as all full-time, part-time, non-administrative, certificated personnel under regular contract with the Board. The term “party” may also be used to refer to the Board or the GHEA.
2. A bargaining unit member is referred to in this Agreement as a professional staff member, teacher, tutor, and other certificated staff.
3. The Board and the GHEA agree that all members of the bargaining unit have the right to join, participate in, or assist the GHEA and the right to refrain from such without intimidation or coercion. Membership in any organization, or the payment of any fee or assessment to an organization, shall not be a condition of employment or continued employment for any employee.

B. Scope of Bargaining/Negotiations Procedure

1. The above recognition constitutes an agreement to attempt to reach mutual understandings and agreement regarding matters of salary, hours, terms and other conditions of employment and the continuation, modification or deletion of an existing provision of this agreement.
2. The Board and the GHEA agree to negotiate in good faith. Good faith requires the parties to be willing to meet at reasonable times and places and to be willing to react to each other’s proposals. If a proposal is unacceptable, the other party is obligated to give its reasons. Nothing in this agreement shall compel either party to agree to a proposal or make a concession.

C. Procedures

1. The Board and the GHEA shall each designate a bargaining team of up to four members, including consultants. Each bargaining team shall identify one chief spokesperson. The teams shall have the necessary power and authority to conduct negotiations. All bargaining shall be conducted exclusively between the teams.
2. After February 1 of the final year of this agreement, either party may notify the other in writing of a desire to commence bargaining. This request shall contain a list of issues proposed for negotiations. A written response shall be made from the other party, which contains its issues proposed for negotiations. A meeting shall be scheduled within 15

calendar days, at which time the text of actual proposals will be exchanged.

3. Necessary subsequent meetings shall be held at times and places mutually agreed to by the parties. All negotiations are to be completed within 45 calendar days, unless mutually agreed otherwise.
4. Either team may request a caucus of up to thirty minutes during negotiations.
5. Prior to and during the period of bargaining, each party will provide the other, upon request, all regularly and routinely prepared information concerning issues under consideration.
6. No formal or informal media release shall be made regarding the content or progress of negotiations without the written consent of both parties.
7. The bargaining teams shall have the authority to indicate non-binding tentative agreement. When tentative agreement has been reached on all items which have not been dropped by mutual consent, the items shall be reduced to writing and submitted to the GHEA and then to the Board for approval. Following approval, the agreement shall be binding on both parties.
8. If an agreement is not reached, the matter shall be submitted to mediation upon the request of either team.

D. Arbitration and Mediation

1. Either party may request the use of mediation at any time during the negotiations period in an effort to reach an acceptable settlement. The negotiation teams may agree on any person to serve as a mediator. If no agreement is reached, a mediator will be requested from the Federal Mediation and Conciliation Service, whose rules and regulations will govern the mediation. The expenses of using the mediator, if any, will be shared equally by the parties.
2. The GHEA and the Board agree that an alternative bargaining procedure may be used.

E. Complete Agreement/Savings Clause

1. The Board and the GHEA agree that this Agreement constitutes the entire Agreement between them for the period of time indicated.
2. The terms of this Agreement are binding upon both parties and may not be changed by either party without the agreement of the other.
3. Any section of this Agreement found contrary to law shall be deemed invalid except to the extent permitted by law. All other provisions shall

continue in full force and effect. If a change in any law renders any section of this Agreement invalid, renegotiation shall occur, provided the Board and the GHEA agree to renegotiate the section.

F. Continuity of Operations

The GHEA and the Board recognize the desirability of continuous and uninterrupted operation of the instructional program during the school year. The GHEA and the Board further recognize the desirability of avoiding disputes, which would threaten such operation. Accordingly, the Board agrees to honor the terms of this Agreement, and the GHEA agrees that it will not, during the period of this Agreement, engage in or assist in any way a work stoppage, strike, slowdown, or other concerted refusal to perform contracted services.

ARTICLE II - *PROFESSIONAL OPERATIONS*

A. Association Rights

The GHEA shall have the right to:

1. Use school buildings at all reasonable hours for meetings. Permission of the principal or his/her designee shall be required. Such permission shall not be withheld unreasonably.
2. Use school equipment, including typewriters, duplicating equipment, calculating machines, computers, word processors, and audio-visual equipment at reasonable times when such equipment is not in use and in compliance with the District Technology Acceptable Use Policy. No equipment shall be removed from school property without approval by the principal. The GHEA will pay for any damage, loss, or theft of borrowed property.
3. Use interschool mail facilities. Permission of the principal shall be required. Such permission shall not be withheld unreasonably.
4. Use space on an appropriate bulletin board in each school building. The location of such bulletin boards shall be agreed upon mutually by the GHEA and the principal.
5. Store paper and supplies, purchased by the Association, in convenient locations. The GHEA agrees to reimburse the Board for photocopy costs at the normal rate.
6. The Board agrees to furnish the GHEA with a current roster of its employed personnel with addresses, one copy of agendas and minutes of all public Board meetings, and to make available such other public information that shall assist the Association in developing intelligent, accurate, informed and constructive programs.
7. Prior to the creation of the master schedule in his/her building, the GHEA president will consult with his/her building principal to create a mutually agreed upon method for and the amount of release time for the president. The amount of release time and the method used to provide release time will most likely vary by president and building depending on the president's teaching assignment and specific building needs. Release time shall be granted only when it can be done without incurring additional operating costs to the district.

B. District Development Council

1. The District Development Council (DDC) was formed to assure that the "Win -Win" process remains in place. The DDC is composed of the superintendent and five members of the Administrative Council and the GHEA president and five at-large faculty members selected by GHEA. The

DDC will be chaired by the superintendent and will address district-wide programs and issues.

2. The purpose of the DDC will include assuring continued educational effectiveness for all children within the district through shared leadership and responsibility.
3. With more direct communication under the DDC, it is further hoped that a wider mutual understanding of the needs and goals of the district's educational process develops. The DDC shall carry out the following functions, as it deems appropriate.
 - a) Develop an annual list of long-term and short-term goals and objectives, which can be reasonably accomplished by the district.
 - b) Serve as the district's Curriculum Coordinating Council by overseeing the district's curriculum implementation plan and by guiding the development of additional school programs.
 - c) Serve as the district's Communication Committee by addressing issues, which are of district concern.
 - d) Develop a master calendar for the district, which would delineate specific days for staff meetings, committee meetings, etc.
 - e) Select a Professional Advancement Committee, which would recommend an allocation of points or funds for staff professional growth activities.
 - f) Develop a system for notifying staff of possible openings or transfers within the district.
 - g) Continue to assess and plan for staffing and enrollment and to take needed action to avoid reductions in force.
 - h) Initiate and perform such professional functions, as the DDC deems appropriate at times mutually acceptable to the membership.
 - i) Further develop professional relationships in order to enhance the quality of teaching throughout the district.
4. To reflect upon the "Win-Win" philosophy of the Grandview Heights City School District, actions taken by the DDC should be based upon consensus.
 - a) To establish consensus, any member of DDC may request that a vote be taken on any issue brought to the table. The outcome will then be recorded in the minutes with the understanding that it not supersede the lawful authority given to the superintendent.

- b) Any member of the DDC may also request a delay in voting until the next meeting if that member feels the need to consult with individuals or the membership at large.
 - c) Minutes, upon request by the Board or DDC members, will be provided to the DDC and Board. DDC minutes will be made available to the professional staff.
5. The superintendent shall submit an annual report to the Board detailing the DDC's activities and evaluating its effectiveness. The work of the DDC shall not replace any authority lawfully given to the superintendent, but it shall affirm that the school district's educators have made the commitment to continue the "Win-Win" process.
 6. The Board shall budget \$9,000 annually to be distributed to the GHEA representatives to the DDC. The GHEA president will receive \$2500, the GHEA vice president will receive \$1500, and the other representatives will receive \$1250 each.

Committees Reporting to District Development Council

Professional Growth Committee
 Professional Development Committee
 Curriculum Committees
 CORE Team
 Calendar Committee

- a) Professional Growth Committee: The Grandview Heights City School District is committed to a program which will promote the professional growth of its staff, in so doing, improve instructional services for its students.

The Professional Growth Process provides professional staff with the opportunity for self-assessment as well as delineating targeted areas for improvement. An integral component of this process is the opportunity to secure feedback on the staff member's performance, which will enable the individual to identify positive accomplishments as well as deficiencies in his/her performance. Also included within this process is the opportunity to develop individual professional development plans.

The Professional Growth Committee is charged with reviewing and recommending changes to the DDC, which will strengthen the Development Review Process of certificated licensed staff.

- b) Professional Development Committee: Staff development is crucial to the growth and development of professional staff in the Grandview Heights City Schools. The professional development committee is charged with determining the needs of staff and proposing meaningful growth and development/in-service activities for the Grandview professional staff.

- c) Curriculum Committees: Following a plan approved by DDC, and using State Models and samples of Courses of Study from other exemplary school districts (which were recommended by State Consultants), grade level and department representatives will meet each year to study, revise and evaluate specific Courses of Study. Given that the State Models are already aligned with state standards and benchmarks, teachers will review test results to determine if changes need to be made in our Courses of Study. Final draft copies will be presented to the DDC for approval, and then presented to the Board for approval and permission to implement the new Courses of Study.
- d) CORE Team: This committee is comprised of members from each district building and also includes members of the community. It is the mission of this committee to reduce alcohol, tobacco and other drug use among young people, to delay the age of first use and to help young people discover safe and healthy ways to enjoy their youth and deal with life's stress. Activities and programs focus on three areas: prevention, intervention (for students and parents) and teacher training.
- e) Calendar Committee: This committee is comprised of one teacher representative from each building, one PTO representative from each building, one administrator from each building, the junior class president from the high school, one at-large faculty representative, and one classified staff representative. Dated calendars of the appropriate school years are sent out to members of the committee. An instructional letter is attached with the required and optional dates for two years. Committee members are to construct suggested calendars. All suggested calendars are gathered, reproduced and sent out to committee members for their review. The committee meets to review all options. Two calendars are chosen and sent to GHEA for disbursement and a vote by all staff.

- 1. The purpose of the Professional Advancement Committee (PAC), a sub-committee of the DDC, is to encourage and recognize professional growth through activities beyond those normally accepted as instructional duties. Professional growth shall be encouraged through awarding professional credit, tuition reimbursements, and monetary grants. The Board shall budget annually \$45,000 for committee distribution. Of the total budget, \$5,000 will be allocated for PAC grants and the remaining \$40,000 will be allocated for tuition reimbursement. Any balance will be carried over to the next fiscal year.

- b) Meetings: A quorum of four (4) of the six (6) PAC members, one being an administrator, is required for judgment of professional credit or grants.
- c) Duties: The PAC embraces the principle that financial reward for professional staff members should be based upon academic preparation, teaching experience, and professional growth. It is the task of the PAC to evaluate the planned activities or work for which professional credits, tuition reimbursements, or grants are requested and to encourage professional staff members to participate in the program.

4. Pre-Approval:

- a) All plans shall be submitted in writing for pre-approval, to the chairperson of the PAC. The PAC may request the professional staff member or sponsoring group to speak on behalf of the proposal.

If the PAC does not approve the project, a statement of the reason for rejection will be returned to the professional staff member or group along with recommendations for improvement before the project may be resubmitted.

- b) Interim review: The PAC may request a progress report at its discretion.
- c) Final evaluation procedure: A copy of the final report of the project must be presented to the chairperson of the PAC at least ten (10) days prior to the requested date of final consideration by the PAC. The individual or sponsoring group must be available for interview by the PAC at its discretion.
Financial grants and PAC credits will be reviewed for final approval upon successful completion (or at times designated by the PAC in the case of an extremely lengthy project). Such groups might study problems, conduct surveys, review curriculum, etc. A written summary of the committee or group's activities and hours of participation by each professional staff member must be submitted by the chairperson of the committee or group to the PAC for professional credits or reimbursement by the Board. - d) Published Materials:

Items for submission to newspapers, as well as booklets and articles for publication in professional journals, for which other financial

compensation or credit will not be received, may be submitted to the PAC.

e) Curriculum or Program Innovations:

This category provides opportunity for members of individual departments or grade levels to work individually, with each other or other groups of teachers to plan and develop courses of study, improvement in teaching methods, additional materials, new content, etc.

Salary schedule credit for the number of hours approved and successfully completed will be granted as of the next September.

F. Local Professional Development Committee (LPDC)

The Professional or Associate License Renewal Law (SB230; ORC 3301-24-08), effective September 1998, changes the credential renewal process for all Ohio teachers. The intent of the law is to professionalize the renewal process itself and to require much closer connection between renewal activities and classroom

practice. Therefore, the new law establishes a local licensure board and expands the definition of acceptable credits toward license/certificate renewal, making it possible to receive credit for professional development activities that are designed and conducted within the working, collegial environment of the school district.

The purpose of the Grandview Heights City Schools (GHCS) Local Professional Development Committee (LPDC) is to:

- Approve Individual Professional Development Plans.
- Grant prior approval and final approval for professional development activities for recertification/licensing credit.
- Evaluate professional development activities for Continuing Education Units (CEU's) credit.
- Make recommendations for in-service programs.
- Recommend teachers for certificate/license renewal to the Ohio Department of Education.

The Grandview Heights City Schools Local Professional Development Committee, operating under the requirements of SB 230 and policies established by the GHCS Board of Education, must review all certificate/ license renewal applications for all certificated employees. This includes reviewing semester hours, CEU's and "other approved activities" that are submitted for credit toward license renewal. The LPDC bases recommendations for license/certificate renewal on a teacher's Individual Professional Development Plan's compliance with the guidelines of the law and the GHCS Standards for professional development.

The Grandview Heights LPDC has five members: three teachers, one administrator, and one other certificated/licensed employee of the district. Teacher members are nominated by the LPDC chair and approved by the DDC. The administrative member is appointed by the Administrative Council (A.C.). The other certified licensed employee is appointed by the superintendent. Oversight of the LPDC is provided by DDC.

The LPDC will meet when necessary on the second Tuesday of each month, or in case of a scheduling conflict, will meet at a time agreed to by the members. Up to one half-day release time per teacher member shall be set aside for the LPDC monthly meetings, paid from the state professional development funds received by the Board. Or, in the event that the LPDC meetings are held during summer hours or outside school hours, teacher members will be paid a stipend of \$18.00 per hour, not to exceed a total of 10 hours per fiscal year for any teacher member unless approved by the DDC. Funding for teacher stipends shall also be paid from state professional development funds received by the Board.

ARTICLE III - *EMPLOYMENT PRACTICES AND CONDITIONS*

A. Transfers

The superintendent has the right to assign, reassign and transfer personnel for the benefit of the school district. The decision of the superintendent is final and nongrievable.

Voluntary Transfer:

Requests for voluntary transfer shall be filed in the following manner:

1. On or before February 1, all certificated/licensed staff will be surveyed to determine those who desire to transfer.
2. Surveys will be returned to building principals for their signatures prior to February 15.
3. When transfer requests are submitted, the principal may discuss the requests with the teachers. The principal may comment on the forms to each request. The request forms will be sent to the superintendent no later than March 1 and available for review for one year.
4. The superintendent will develop a list of all teachers requesting consideration for transfer. By March 20, the superintendent will give a copy of the list to the GHEA president. The superintendent will review the list of teacher requests for transfer with the GHEA president so that he/she can remain aware of the status of the persons making a request.
5. Any staff members requesting consideration for positions for which they are qualified will be granted interviews.
6. The superintendent/designee will respond to all requests to indicate acceptance or give reasons for denial.

Involuntary Transfer:

1. When it is determined a need exists to transfer a certificated staff member involuntarily from one building to another, seniority will be given consideration in the selection process of the teacher to be transferred.

B. Limited Contracts Sequence/Mentoring

Teachers new to the district and not eligible for tenure shall abide by the following contract procedures:

1. For each of the first three years a teacher is under contract with the Board, he/she shall be offered one-year probationary limited contracts.

2. Following the successful completion of three (3) one-year limited contracts; teachers not eligible for tenure shall be offered a two-year limited contract.
3. The above procedure does not limit the Board's rights to non-renew under ORC 3319.11.

C. Teachers who have successfully completed a two-year limited contract shall be offered three-year limited contracts.

1. At the conclusion of any contract period, a teacher who has been found deficient in some area(s) via the Development Review process may be placed on a one (1) year probationary limited contract. If the teacher has not made satisfactory progress, the Board may choose to offer a second probationary contract. If satisfactory progress is made on the probationary contract, the Board shall again offer a multi-year contract. Following the initial three-year probationary period, teachers will not be offered more than two consecutive probationary contracts. Teachers on probationary contracts may be offered the opportunity to participate in the mentorship program.
2. If a teacher on a multi-year contract, who has been recommended for a probationary contract, disagrees with that evaluation, the teacher will first try to work out differences with his/her principal. If the principal still recommends a probationary contract, the teacher may present his/her case to the GHEA Executive Council. The findings of the GHEA Executive Council will be presented to the Superintendent along with the recommendation of the principal.
3. If a teacher terminates his or her employment with the Board and subsequently returns, he/she may be considered a new teacher for purposes of this section.
4. The above procedure does not limit the Board's rights to non-renew under ORC 3319.11.
5. Teachers new to the district will be involved in mentor relationships with professional staff members. Mentors will be recommended by building principals to the superintendent.

D. Continuing Contracts (Tenure)

Staff members eligible for consideration for tenure shall abide by the following procedures according to Ohio Revised Code 3319.11.

Prior to the application for tenure:

1. Staff members must have been in the district for three consecutive years or, if tenured in another district, for two consecutive years.

2. Staff members must have a minimum of 30 graduate semester hours (45 quarter hours).
- 3.* The applicant is eligible to apply for a continuing contract IF:
 - a) a master's degree was held at the time of initially receiving a certificate or license and

4. By April 1 of each year, staff members must have *either* an eight-year professional certificate or a five-year professional license (in compliance with state standards).

Tenure Process:

1. Eligible staff members must notify the building principal in writing of their intention to apply for tenure by the first day of the academic year.
2. Staff members must be observed by the principal throughout the year as specified in the Developmental Review Process.
3. At the end of the observation year, the principal may write a letter of recommendation for tenure to the superintendent.
4. The superintendent may recommend eligible staff members for tenure to the Board of Education.
5. Tenure is granted upon approval by Board resolution.

- d) Rehired retirees will be placed annually at the bottom of the seniority classification in which they are certified/licensed to teach.
- e) A rehired retiree is exempt from the formal Developmental Review Process.
- f) Sick leave will be granted at 15 days per year. The District will pay one-fourth of the value of the employee's unused sick leave at the end of each year. Sick leave cannot accumulate from year to year.
- g) Personal leave will be granted at 3 days per year. Personal leave cannot be carried over from year to year.
- h) The district will provide health insurance coverage only if it is not available through an STRS plan. The Board will not provide any other form of insurance coverage.

2. Employees will be paid in 24 pay periods.
3. All staff members will enroll in an automatic direct payroll deposit program.
4. During the summer months when school is not in session, direct deposit statements will be mailed to teachers. It shall be the responsibility of the employee to provide the proper mailing address to the treasurer at the close of the school year.

 - c) 5 teacher professional days as agreed upon by the DDC.
2. Teachers are expected to attend reasonable parent-teacher conferences, open houses, staff meetings, and staff development activities, and to perform other reasonable duties outside of the regular instructional day, which are an integral part of the teacher's assigned professional duties.

H. Personnel Files

1. The personnel file of each staff member in the Board of Education Office shall be the only official file of recorded personnel information.
2. Information may be placed in a staff member's personnel file only after notifying the staff member and supplying him/her with a dated copy of the information. A staff member may attach a written statement to any item placed in his/her file.
3. A staff member shall have access to his/her file and/or be entitled to a copy of any specific materials in his/her file upon written request.
4. If a staff member disputes the inclusion of information in his/her file, he/she may submit to the superintendent a written appeal specifying the reason(s) why the information is inaccurate, irrelevant, untimely or incomplete. The superintendent will decide whether the disputed information will remain in the file. The staff member will receive notification of the superintendent's decision.

I. Unsafe Working Conditions

1. When the conditions in a school building create an unhealthy/unsafe environment, the building principal and the Director of District Services and Facilities will be notified in writing by the bargaining unit member to review the issue(s). Unresolved health and safety issues will be referred to DDC in writing before being subject to the grievance procedure.

J. Complaint Procedure

When a complaint is made by the parent of a student or any other member of the public concerning a staff member's conduct, service, character, personality, or other reason, to a Board member, central office administrator, building principal, or other supervisor, without having first met with the staff member, the following procedure shall be followed:

1. If the complaint is referred to the building principal or supervisor, he/she will determine the validity and/or seriousness of the complaint. The principal or supervisor shall determine if the complaint should be disregarded or brought to the attention of the staff member at that time.
2. If the complaint is referred to the staff member, he/she will be given the identity of the complainant and the opportunity to discuss the details of the situation with his/her principal or supervisor. Together they will cooperatively decide on an appropriate response to the complainant and/or solution to the situation causing the complaint.
3. If the complaint is not referred to the staff member, then such complaint shall be disregarded and may not be used in any subsequent conference, evaluation, or other assessment of the staff member involved.
4. Nothing in this procedure limits or restricts the authority of the administration or Board to investigate professional misconduct and to make determinations or take actions based on the administration's investigation.
5. The failure to identify a person making a complaint shall not prevent the Board of Education or its representative from reporting instances of alleged bullying or suspected abuse or satisfy any other reporting obligation upon a school district or its representatives by law or regulation.

ARTICLE IV - *REDUCTION IN FORCE*

To the extent possible, the number of teachers affected by a reduction in force will be minimized by the impact of the attrition. However, if the Board determines it necessary to reduce the number of bargaining unit positions for reasons of decreasing student enrollment (overall or in special areas), return to duty of regular teachers after leaves of absence, suspension of schools, territorial changes affecting the district, or for financial reasons which may result in a significant decrease in funds from local, state or federal sources, further reductions will be made in accordance with the following procedures:

- A. The GHEA will make every effort to encourage certified staff who will be on leave, returning from leave, resigning or retiring, to notify the superintendent in writing on or prior to March 1 of the current school year.
- B. When the Board determines in any school year that there is a need to suspend teacher contract(s) for the following year, the GHEA will be given written notice of such possibility on or prior to March 5 of the current school year. Upon giving notice, the Board will provide the GHEA president with written data concerning student enrollment, bargaining unit members' seniority and areas of certification, names of teachers on leaves of absence, and financial information.
- C. The GHEA president will be given the opportunity to make suggestions to the superintendent before the recommendation for suspensions of contracts is made to the Board.
- D. Prior to the exercise of any bumping rights, the superintendent shall notify in writing the GHEA president and those teachers whose positions are being recommended for suspension on or prior to March 20 of the current school year.
- E. All members of the bargaining unit will be placed on a seniority list for each teaching field for which they are properly certificated/licensed. Teachers serving under continuing contracts will be placed at the top of the list in descending order of seniority. Teachers serving under limited contracts will be placed on the list under continuing contract teachers, also in descending order of seniority.
- F. Seniority will be defined as the length of continuous service as a certified/licensed employee under regular teaching contract in the Grandview Heights Schools.
 1. The Board approved leaves of absence and time on RIF will not interrupt seniority.
 2. Resignations, terminations, non-renewals (if the teacher is not hired at the beginning of the following school year), and other leaves not approved by the Board will interrupt seniority for purposes of reduction in force and recall.
 3. If two or more teachers have the same length of continuous service, seniority will be determined by:

- a) The date of the Board meeting at which the teacher was hired; and then by
 - b) The date the teacher signed the initial contract in the district; and then by
 - c) The total years of teaching service in Ohio; and then by
 - d) The total years of teaching service; and then by
 - e) The recommendation of the principal, using the Formal Evaluation Process, attendance commitment to professional growth, and subjective analysis of other professional competencies; and then by
 - f) The casting of a lot.
4. Recommended reductions in a teaching field will be made by selecting the lowest person on the seniority list in that area of license. A teacher so affected may elect to displace another teacher who holds the lowest position on the seniority list in another area of license provided he/she holds a valid license in the area and meets one of the following criteria:
- a) He/she successfully taught in the other area(s) of license in the Grandview Heights Schools or he/she taught in the other area(s) of license in another district for at least one hundred twenty (120) days (or a summer school course(s) in the other area(s) of license) in the last five (5) school years immediately preceding the date of official Board action.
 - b) He/she successfully completes at least six (6) semester hours of course work from an accredited university related to his/her other area(s) of license within the time parameters outlined in Section F.4 a) of this article and prior to Board action.
- G. In order to be eligible for bumping rights, teachers who have been notified of their contract suspension shall notify the superintendent in writing on or prior to March 31 of the current school year of their desire to displace a less senior teacher in their other area(s) of license as per Section F.4a) and b) of this Article.
- 1. The names of teachers whose contracts are suspended will be placed on a recall list for up to twenty-four (24) months from the date of reduction.
 - 2. Teachers on the recall list will be recalled in reverse order of the layoff for vacancies in areas for which they are licensed as described below.
 - 3. If a position initially abolished is reinstated, a new position(s) becomes available, or a vacancy occurs, an attempt will first be made to fill the vacancy with teachers on the recall list.

4. If a position initially abolished is reinstated, a new position(s) becomes available, or a vacancy occurs, the Board will send an announcement by certified mail to the last known address of each teacher on the recall list who is qualified according to this provision. A teacher is considered qualified if he/she is licensed in the area of recall and meets the following criteria:
 - a) He/she has taught in the area of recall in the Grandview Heights Schools or he/she has taught in the area of recall in another district for at least one hundred twenty (120) days (or a summer school course(s) in the area of recall) in the last five (5) school years.
 - b) He/she successfully completes at least six (6) semester hours of course work from an accredited university in the area of recall within the last five (5) school years prior to the date of recall.
 5. It is the teacher's responsibility to keep the Board informed of his/her current address, course work in areas of their certification/licensure and teaching experience. The Board shall not be held liable for the teacher's failure to comply with the provisions of the preceding sentence. Each teacher is required to respond by certified mail to the district office as to whether the position will be accepted. The most senior of those from the recall list responding will be given the vacant position. Any teacher who fails to respond or who declines to accept the position within ten (10) calendar days will forfeit all rights to said position. A teacher may withdraw his/her name from the recall list.
 6. A teacher on the recall list, upon acceptance of a position, shall return to active employment status with the same accumulation of sick leave and salary schedule placement as he/she enjoyed at the time of the RIF.
 7. Where group insurance policies permit, a teacher whose contract has been suspended may continue to participate in those benefits which are provided those teachers in active employment provided that the teacher pays the total premium to the Board's Treasurer one week prior to the date the Board normally pays the premiums to the company.
 8. These procedures apply only to the suspension of contracts for reasons as set forth in the first paragraph of this Article. This Article shall not require the Board to fill any vacancy, nor shall it interfere with any other lawful personnel practice in the District.
- H. Any teacher who has been notified that his/her contract has been suspended shall have the right to:
1. Be informed of his/her position on the seniority list regarding each certification/license, which he/she holds.
 2. Be placed at the top of the substitute list according to seniority for first recall, if requested.

- I. The GHEA president will be sent a list of the names of teachers who have been sent recall notices at the time of such recall mailings.
- J. Affected teachers not working full-time in another school system will be eligible for available fee waivers in order to qualify for recall under Section G4b) under the Article or to receive certification/licensure in a new teaching field. This provision is subject to contractual conditions and regulations, which apply to the distribution of fee waivers.

ARTICLE V - GRIEVANCE PROCEDURE

During the course of this Agreement, problems may arise concerning the interpretation or application of the provisions of this Agreement. When such problems arise, an attempt should be made to settle them informally by the principal and teacher or teachers involved. A problem, which cannot be resolved informally, will be processed as a grievance. All days referred to as “days” within this Article shall be interpreted to mean “school days.”

Procedure

Step 1

- A. Within 15 days of the occurrence of the problem in question, a written grievance shall be filed with the building principal. The principal shall meet with the aggrieved party within five (5) days of the receipt of the written grievance. Within five (5) days of this meeting, the principal shall deliver to the aggrieved party a written statement in response to the grievance.

Step 2

- B. If the grievance is not satisfactorily resolved at Step 1, the aggrieved party may submit a copy of the written grievance to the superintendent not later than five (5) days after receipt of the answer under Step 1. The superintendent shall meet with the aggrieved party within five (5) days and shall deliver to the aggrieved party a written statement of position not later than five (5) days after such meeting.

Step 3

- C. If the grievance is not satisfactorily resolved at Step 2, it may be appealed according to the following procedures:
1. Grievances regarding an alleged violation, misapplication, or misinterpretation of a specific item of this Agreement that does not include Board policies and regulations may be appealed to binding arbitration within five (5) days of the receipt of the superintendent’s decision.
 - a) An arbitrator shall be selected by the parties within 15 days of the written appeal by using the voluntary rules of the American Arbitration Association.
 - b) The arbitrator shall be empowered only to base his/her decision upon some specific Article and Section of this Agreement and shall have no power to add to, subtract from, or modify this Agreement by implication or otherwise.

D. Any grievance that arose prior to the effective date of this Agreement shall not be processed.

ARTICLE VI - *CHEMICAL DEPENDENCE POLICY*

A. Employee Chemical Abuse

The Grandview Heights City School District recognizes that chemical abuse (drugs and alcohol) can result in a primary disease which is progressive, chronic and fatal if left untreated. This illness, which is not curable but is treatable, can affect any group or age.

1. Chemical abuse by staff members may result in problems, which interfere with the school's ability to promote an effective and safe learning environment; therefore, the school district shares in the responsibility of intervening with certified/licensed staff members who abuse chemicals.
2. District employees who are diagnosed as having an illness resulting from chemical abuse shall receive the same consideration and opportunity for treatment that is extended to employees with other types of illnesses. For purposes of this policy, this illness is defined as one in which an employee's consumption of mood altering chemicals interferes with job performance or adversely affects health. On the basis of professional diagnosis, employees who have this illness and who receive fringe benefits shall qualify for employee benefits covered in group health and medical insurance policies.
3. If the employee refuses to accept diagnosis and/or treatment, or fails to respond to treatment, and job performance or health continues to be affected, the supervising administrator(s) will initiate action deemed appropriate. Implementation of this policy will not require or result in any special regulations, privileges, or exemptions from the standard administrative practice application to job performance requirements.
4. Supervisors will implement this policy in such a manner that an employee's chemical dependency problem or request for treatment will not affect job security or promotional opportunity.
5. The confidential nature of any records of employees shall be preserved in the same manner as for all other medical records.

B. Employee Assistance Team Procedures for Staff Members

1. A concerned person can refer another staff member to the CORE Team chairperson. The chairperson will take the information to the Employee Assistance Team for further study. It is the task of the Employee Assistance Team to gather information for further recommendation or action. The Employee Assistance Team is composed of Building Team Chairpersons.
2. If the Employee Assistance Team determines a need for testing for chemical dependency and the employee refuses or is assessed positive for chemical dependence and refuses assistance, then the record of data gathered may be turned over to the employee's principal for review and possible disciplinary action.

1. A unit member who must be absent due to disability resulting from an unprovoked or unjustified assault on such teacher which occurs in the course of Board employment, or in attendance at a school sponsored function, shall be granted assault leave providing all of the standards in Section B below are met. Full pay status (days not charged to sick leave) under Assault Leave shall be granted up to a maximum of ten (10) days of said disability. At the end of the ten (10) days, the teacher may at his/her option use sick leave or receive worker's compensation (if eligible) for the period of the disability.
2. A teacher requesting assault leave will complete and submit to the superintendent a form, which shall include the following:
 - a) Date and time of occurrence.
 - b) Identification of the individual or individuals causing the assault (if known).
 - c) Facts and circumstances surrounding the assault.

A certificate from a licensed physician describing the nature of injury sustained causing absence.
 - e) A statement indicating a willingness to participate and cooperate with the Board if the Board decides to pursue legal action against the assaulter(s).
 - f) Signature of the assaulted teacher if physically able.
3. A disability resulting from assault shall terminate when the employee can return to the assignment held prior to the disability or the employee becomes eligible and takes disability retirement provided under the provisions of the retirement program.
4. An employee disabled as a result of assault will be returned to the same position held at the time of the incident whenever possible. If the employee desires another position, such selection shall be in accord with the established administration transfer procedure.

B. Association Leave

From time to time, it becomes necessary for association leadership to fulfill their roles during the school day. In such instances, the president or his/her designee may or may not be granted release time by the superintendent.

C. Personal Leave

1. Certificated staff shall accrue personal leave days at the rate of three (3) days per year. Certificated staff shall be permitted to use up to three (3) personal leave days per year. A written request must be submitted by the staff member to the superintendent.
2. The signature of a certificated/licensed staff member indicates that they are in compliance with the criteria for personal leave.
3. The following conditions shall apply to the use of personal leave:
 - a) Personal leave may be used in 1/2 day or full day increments.
 - b) Personal leave may not be approved for seeking or engaging in gainful employment.
 - c) Personal leave granted the day before or the day following a scheduled holiday or vacation period will be charged at the rate of two days for each day granted. Half-days will be charged as full days.
 - d) Requests must be made at least three (3) days in advance of the requested leave. In cases of emergency or extenuating circumstances, the situation must be explained in writing.
4. As of June 30 of each school year or upon official STRS retirement, personal leave that has not been utilized by a school employee shall be converted as follows:
 - a) Conversion to sick leave of any unused personal leave days beginning July 1 of the upcoming school year.
 - b) A stipend check that equals the number of unused personal leave days times \$150.

The school employee must notify the treasurer's office in writing by June 10 of their desire to exercise the payment option. Payment will be made to the employee no later than October 15 following the conclusion of the school year. If no request is received, personal leave balance will be converted to sick leave.

D. Sick Leave

Each full time employee of the Board shall accrue sick leave of one and one fourth (1-1/4) workdays with pay for each completed calendar month of service unless on approved leave of absence. No employee shall receive credit for more than fifteen (15) days of sick leave in any one-year of service, and such unused sick leave as earned shall be cumulative.

All employees shall be entitled upon employment to a minimum of five (5) days sick leave credited to the employee at the beginning of the term of service in lieu of accumulated sick leave.

A teacher or other employee who has accumulated days of sick leave in another district in Ohio, or while in the service of the state, county or municipal government in Ohio, shall furnish a properly certified record of these days upon employment in this district. This number of unused days of sick leave on such record shall be credited to the employee's accumulated record, provided that such re-employment takes place within ten (10) years of the date of the last termination from public service.

Certificated staff members may "assign" unused sick leave days to any employee who is imminently subject to a loss of compensation because of absence from work due to illness or absences otherwise pertaining to sick leave. The employee requesting the "assigned" days must have fewer than five (5) days in his/her own sick leave accumulation. Written notification of the assignment is encouraged whenever possible in advance of the absence for which the assignment is being made. An employee may receive only as many assigned sick days as immediately needed up to a maximum of twenty (20) days. In extreme circumstances, additional days will be considered by the superintendent.

No salary payment for days of absence under the sick leave provision shall be made to any employee except as provided below in the following paragraph:

1. Illness/Injury: For absence of the employee due to personal illness, injury, exposure to contagious disease which could be communicated to other employees or school children, or for illness or injury of an immediate family member of the employee, or at the discretion of the superintendent, any other person living with the employee.
 - a) Each employee shall furnish a written, signed statement on forms prescribed by the Board to justify the use of sick leave.
 - b) If medical attention is required, the employee's statement shall list the name and address of the attending physician and the date(s) when the physician was consulted.
 - c) When absence exceeds three consecutive days, the employee will be responsible for discussing the circumstances necessitating the absence with the building principal. The building principal may

request a physician's statement justifying the absence and/or providing a clearance for return.

2. Maternity and Adoption: The Board recognizes the inherent responsibilities of the onset of parenthood. It further recognizes that in the statutory provisions of the Ohio revised Code and the Family and Medical Leave Act of 1993, the following avenues are available to employees regarding maternity leave:
 - a) A Grandview Heights City Schools employee may use accumulated sick leave during the period. Up to thirty (30) working days of accrued sick leave may be used for this purpose. Eligible use of accumulated sick leaves begins the day after the birth of the child. The spouse may take up to ten (10) working days of accrued sick leave after the birth of a child. In the case of adoption, he or she may use up to ten (10) personal days, unpaid days of leave, or any combination of the two for any travel necessary to pick up the child. Up to twenty (20) days of sick leave may be used after the child's arrival.
 - b) Up to thirty working days of additional accrued sick leave may be taken if accompanied by a doctor's statement.
3. Death: For absence of the employee due to a death in the employee's immediate family. Immediate family is defined as: spouse, children, stepchildren, parents, stepparents, parents-in-law, brothers, sisters, brother-in-law, sister-in-law, grandparents, grandchildren, step-grandchildren, aunts, uncles, any other person living with the employee and any other immediate relative at the discretion of the superintendent.
 - a) Each employee shall furnish a written, signed statement on forms prescribed by the Board to justify the use of sick leave.
 - b) When absence exceeds three days, the employee will be responsible for discussing the circumstances necessitating the absence with the building principal.

E. Paid Sabbatical Leave

To be eligible for paid sabbatical leave:

1. A staff member shall have had five consecutive years of service in the District as a certificated/licensed employee.
2. A written plan of professional improvement shall be furnished prior to Board approval. Upon return from sabbatical leave, a report shall be filed by the staff member as proof that said plan was followed.
3. Professional improvement plans must be submitted by March 1. The Board will respond to said request by April 30.

4. The partial salary of the staff member shall be the difference between their regular salary and the replacement's salary. Notification of partial salary shall be given to the staff member as soon as possible, but not later than July 15. The staff member may choose to participate in the employee benefits at their own expense.
5. No more than two staff members shall be granted sabbatical leave at one time. If more than two teachers apply, those not previously granted sabbatical leave with the greatest seniority will be granted such leave.
6. Additional sabbaticals may be made available to a staff member after completion of five additional consecutive years of teaching experience.
7. Staff members returning from sabbatical leave shall, when possible, and in consideration of the best interest of the District as determined by the superintendent, staff members be returned to the same or similar assignment held prior to such leave.
8. An employee may make his/her retirement contributions and secure retirement credit for the period of the sabbatical leave within the two-year period immediately following the leave. If such contributions are not made within the time period, such eligibility is lost.
9. A staff member must return to duty for a least two full school years after the sabbatical leave. If the staff member does not return, he/she shall be required to pay back all salary received during that leave. Such back pay must be made within a four month period of time beginning with the first full month said staff member was to have returned to duty. Arrangements for returning the back pay during this period of time shall be made between the Board's Treasurer and the affected staff member.
10. If the requested leave is not granted, an appeal may be taken to the Board, but such decision is not subject to the grievance procedure.
11. A year of sabbatical leave shall count as a year on the salary schedule and for purposes of length of service in the District.

ARTICLE VIII - *UNPAID LEAVE*

- A. Teachers may be granted a maximum of five (5) unpaid leave days per year. This leave is non-accumulative.
- B. The following conditions shall apply to the use of unpaid leave:
 - 1. Written request to the superintendent at least ten (10) school days in advance.
 - 2. The leave will be granted subject to the school district's ability to provide appropriate substitute personnel in order to maintain meaningful classroom instruction during the employee's absence.
 - 3. Salary deductions for unpaid leave will be at the teacher's daily rate. Deductions will be made over the employee's succeeding four (4) paychecks following the leave.

C. Family and Medical Leave Act (1993)

The Board shall provide leave to eligible employees consistent with the Family and Medical Leave Act, provided that such leave does not diminish the obligation of the Board to comply with any and all provisions of this collective bargaining agreement.

If a husband and wife eligible for leave are employed by the District, their combined amount of leave under the FMLA shall be limited to 12 weeks.

Upon employee's return to duty, the employee shall be placed on the proper step of the existing salary schedule, allowing appropriate credit for the service rendered prior to or following the family leave during the school year, provided that service equals one semester for one half year service credit or 120 days minimum for one year's service credit.

D. Unpaid Sabbatical Leave

A staff member, upon written request to the Board, may be granted a leave of absence without pay for one school year in accordance with the following provisions:

 - b) A replacement (if needed) is available for the staff member who is taking the leave.
 - c) The staff member has not been granted this type of leave in the past.
 - d) The request for an unpaid sabbatical leave must be submitted by March 1. The Board will respond to said request by April 30.
3. Any staff member currently on an unpaid sabbatical leave must notify the Board in writing by March 1 if they intend to return to active employment. Failure to notify the Board by March 1 will result in termination of that employee's contract with the district.
 4. If a staff member returns from an unpaid sabbatical leave, he/she will resume the contract status held prior to the leave. Staff members returning from sabbatical leave shall, when possible, and in consideration of the best interest of the District as determined by the superintendent, be returned to the same or similar assignment held prior to such leave. If said assignment no longer exists, the staff member will be assigned to a position within his/her area of certification. Nothing herein shall prevent the staff member who is on such leave to seek a transfer or to be transferred in accordance with the transfer policy.
 5. If the requested leave is not granted, an appeal may be taken to the Board, but such decision is not subject to the grievance procedure.

E.) Extended Unpaid Parental Leave

Bargaining unit members may be granted a leave of absence for the birth or adoption of a child without pay for up to one school year in accordance with the following provisions:

 - iii. If the leave is effective during the summer recess, it shall be for the following semester or the following school year.
- 5) Any staff member on unpaid parental leave must notify the superintendent in writing of their intent to return to active employment 60 days prior to the leave end date. Failure to notify the superintendent in the time prescribed could result in termination of the employee's contract.
- 6) If a staff member returns from parental leave, he/she will resume the contract status held prior to the leave. Staff members returning from unpaid parental leave shall, when possible and in consideration of the best interest of the District as determined by the superintendent, be returned to the same or similar assignment held prior to such leave. If said assignment no longer exists, the staff member shall be assigned to a position with his/her area of licensure. Nothing herein shall prevent the staff member who is on such leave to seek transfer or to be transferred in accordance with the transfer policy.

ARTICLE XII - *RETIREMENT BENEFITS*

A. STRS PICK UP

1. The Board shall make the STRS pick up available to certificated staff members.
2. The pick up will be of no cost to the Board and is solely for the purpose of reducing current tax for certificated/licensed staff members and will remain in effect as long as Internal Revenue Ruling 81-36 remains substantially unchanged.
3. Certificated staff members are individually responsible for reviewing the relationship between the pick up and their other deferral arrangements, if any.

B. SEVERANCE PAY

1. All employees covered by Section 3319.141 of the Ohio Revised Code shall, after ten (10) years of service with any school district within the state and upon retirement, receive payment for one-fourth (1/4) of the value of the employee's accredited but not used sick leave as follows:
 - a) The maximum payment shall not exceed one-fourth of 240 days. Additionally, the retiring employee shall receive one day of severance pay for every ten days of accredited but not used sick leave over and above 240 days.
2. In order to be eligible under this provision, the employee must file for retirement benefits with the Ohio State Teachers Retirement System. The employee must certify to the Board treasurer the date on which retirement benefits under STRS were or will be started.
3. Such payment shall be based on the employee's rate of pay at the time of retirement. Payment for sick leave on this basis shall be considered to eliminate all sick leave credit accrued by the employee at that time. The employee must request severance pay within ninety (90) days of retiring from service within the district in order to receive severance pay. Such payment may be made only once to any employee.
4. The Board shall offer a retirement incentive payment of \$50,000 to bargaining unit members under the following provisions:
 - a) By February 1 of the year of retirement, documentation of service credit from STRS must be presented to the Treasurer with the letter of intent to resign for retirement. Documentation must reflect less than 30 years of STRS service credit.

5. The Board shall pay a retirement incentive of \$2000 to bargaining unit members under the following provisions:
 - a) By February 1 of the year of retirement, documentation of service credit from STRS must be presented to the Treasurer with the letter of intent to resign for retirement.
 - b) The bargaining unit member does not qualify for the payment described in Article XII, Section B4.

D. STRS Tax-Deferred Payroll Deduction Plan for the Purchase of Service Credit

1. The Board shall make the STRS Tax-Deferred Payroll Deductions Plan available to certificated staff members. The Plan will be in accordance with IRS regulations governing employer pickup and STRS Ohio laws and rules. The implementation and ongoing maintenance of the Plan shall be at no cost to the Board.
2. Certificated staff members are individually responsible for determining the appropriateness of their participation in the Tax-Deferred Payroll Deduction Plan or the After-Tax Payroll Deduction Plan.
3. It is understood that:
 - a) Once an employee begins the purchase of credit by tax-deferred payroll deduction, it is irrevocable. An employee cannot stop or change the payments until the purchase is complete or employment is terminated.
 - b) Employees who begin the purchase of credit by tax-deferred payroll deduction cannot make payments directly to STRS Ohio for the same credit.
 - c) Overpayments on tax-deferred payroll deductions will be returned to the employer for proper tax accounting.
